

Dear Dr. Fifer,

As we come to the close of 2018, we are grateful to the Almighty God for His protection, provision, etc. in our lives, most especially for passing through the UNTCI family to stand by us as Spiritual parents caring for our needs. As we enter 2019 successfully, we pray that God will continue to carry us through, and bring our dreams to pass in Jesus' Name.

We also pray as you have targeted again a visit to us in 2020 for God to open every door and window, and blind the eyes of the enemies to this trip.

I apologize for the delay of the documents it was due to poor internet services in our country, we are praying to bring in more children after the season break.

Our special thanks to mother Fifer who is always giving you a push to remember us in Liberia. We really need to hear your voice before the year comes to an end, send me your less busy schedule on fb so that I will be able to call you. Blessings
