**PLEASE JOIN US TO SHOW THE LOVE OF JESUS CHRIST TO INMATES AND TO THEIR FAMILIES:**

Greetings in the name of our Lord Jesus Christ. Thank you for your prayer and any help for spreading the Gospel of Jesus Christ. As we magnify the name of the Lord Jesus Christ that the gospel of Jesus Christ is preached in prison, the prisoners hear the gospel and surrender to Jesus Christ and become people who have changed after they have ended their imprisonment in prison. We need your more prayer in this service because it is difficult for many people to do not want to engage in this service because of the current challenges.

We have also begun visiting the families of prisoners in prison, and providing support to families that are vulnerable. We have 89 children of prisoners who have not yet started school because of lack of school equipment, and some left school after their parents or their parents who were relying on imprisonment. Most children are from 7 to 17 years old. We would like to find out how to help these kids start school by helping school equipment such as school fees, school uniforms, books and other accessories. We need to show the love of Jesus Christ to these prisoners so that they can know Jesus Christ through this love. We help the children of the prisoners regardless of their religion, their nationality, before them, we do so to convey the love of Jesus Christ. And when the prisoners hear this testimony to help their children, they will thank God and the suffering of Jesus Christ. We need a church, an individual, or any group to help us do this service to help the detainees get their school needs and start school.

**WORLD MISSION Bible SCHOOL:**

I would like to invite you to join us at a Bible school that was introduced for helping the Pastors who did not to go the Bible college, and those who need to learn God's word to serve God, and to train the chaplains to serve the Lord well to the prison. To make sure the truth of God's word is answered. We need your prayer, and your help in this school to be God's instrument for helping the workmen to go to work for the Lord. There are 15 students have begun to study the Word of God at our local Bible School. The school was opened in October, 2018, and November 12-16, 2018, we had a short course of Conflict Resolution which was taught by a teacher from Zambia. We need Bible teachers who will be coming to teach short courses for further educating students. Please, please inform the teachers who would like to come and help teach short courses in our school. Our school is open from **March to June**, each year, **July - September** each year the school is closed, and is open to **October-December** each year. Please need your application and support in improving our school. We also teach chaplains how to serve in the prison, and in the hospital.

PRAYER REQUEST FOR THE BIBLE SCHOOL:

We need your prayer and support to help build a Bible School's library which cost for \$ 4,500 and we need a variety of books for students to study and do research.

We need Bible school's volunteer's teachers to come to teach the short courses at our local school, and we need the brothers and sisters to volunteers to come to join us during our Leadership conference, and gospel campaign which we do every year in October every year.

We will be grateful for any help to help develop our work in Tanzania here.
